Dr. Tim CROWLEY

MOTIVATIONAL SPEAKER & LEADERSHIP EXPERT

Dr. Tim Crowley is a sought out motivational speaker, leadership and workplace culture expert. His warmth and credibility, plus his lively sense of humor create a captivating presence. As a keynote speaker, he does more than entertain. He galvanizes, teaches and inspires! He connects with audiences on many levels with a relevant message that resonates beyond the stage. As a conference attendee said after hearing him speak, **“Dr. Tim forever changes how you see yourself and your world.”** An experience with him goes beyond feel good content to **real life deliverables that IMPACT AND CHANGE LIVES.**

Dr. Tim is a catalyst for igniting passion, shifting thinking, and driving performance.

Dr. Tim customizes every keynote presentation to fit the needs of the specific client and audience. Make your event a huge **SUCCESS** with a message that **INSPIRES** your audience to a call to **ACTION** that generates **POSITIVE** and lasting **CHANGE!** Here is a sample of a few recent presentations.

Raising the Bar: Taking Leadership to the Next Level

Dr. Tim inspires audiences to put into action the principles of self-leadership, developing the five essential qualities of great leaders and difference makers.

The Power of Collaboration

His message will equip your people to build successful teams and thriving workplaces where people love coming to work and being their best.

Everyone Communicates, Few Listen

Dr. Tim provides powerful insights and proven techniques for developing an instant rapport, a genuine connection and building a positive relationship with others despite the hyper-busy and distracted world we live in today.

The Resiliency Advantage

Dr. Tim will energize your event and deliver real skills to help people transform their lives and their work.

Mom's Awesome Sauce: The Power of a Winning Attitude

Dr. Tim will leave your group with the confidence and tools to build positive relationships, exceed goals, and have their best year ever.

Harnessing the Power of Innovation and Change

This riveting message provides clear insight into the possibilities and potential of the world today, and action you can take to create an incredibly successful future for yourself and your company.
